Mike,

Thank you for your call this morning.

No need to apologize, nothing you could have done. Similar with NOAA. And, now the Corps has some issues due to the "wall" construction. So interesting times.

We will try and get with you sooner rather than later.

Our next meeting, will be in Washington DC, Tuesday and Wednesday, March 5 and 6, 2019.

In the mean time, attached is the agenda and attendees for our Meeting this week.

Thank you for your responsiveness and look forward to meeting you.

Jim

Dear Mr. Haussener,

Thank you so much for the invite to speak September 13th. Unfair I will be on vacation visiting my daughter in Cambridge, England. I would welcome the opportunity at a subsequent meeting. Please let me know of any future dates so that I could put it on my schedule. And please always feel free to call or email anytime I can be of assistance to you in anyway.

Dear Administrator Stoker,

On behalf of California's ports and harbors I am writing to ask you to be a keynote speaker on Thursday, September 13th at Jack London Square in Oakland.

We have been fortunate to have Mr. Blumenfeld and Ms. Strauss speak to our Membership in the past and would like to continue the very positive relationship we have with Region 9 by having you learn about our extremely varied facilities and we learning more about your priorities.

We would be happy to accommodate you at the time of your choosing on Thursday. The attached letter provides more information.

Thank you very much for considering this request.

Jim
